B. D. The defendant provide the United States a written summary of testimony the defendant intends to use under Rules 702, 703 and 705 of the Federal Rules of Evidence as evidence at trial. This summary must describe the opinions of the witnesses, the bases and reasons therefor and the witnesses' qualifications;

E. The defendant provide to the United States all statements of any defense witness that are in the defendant's possession and that relate to the subject matter to which the witness will testify.

The Government requests that it receive the information regarding alibi requested in Section A no later than the date of the pretrial motion hearing. The Government also requests that the defendant provide all information specified in Section E no later than noon on the Friday preceding trial to eliminate any delay in the trial of this cause.

I would appreciate a written response prior to any pretrial motion hearing to determine whether I will have to file formal requests for a court order to enforce discovery compliance. I thank you in advance for your anticipated cooperation.

Very truly yours,
